Lifewave Patch Descriptions

NOTE: The following descriptions were transcribed from listening to LifeWave CEO, Founder & Inventor, David Schmidt's videos on YouTube. Each patch is patented and has been clinically tested multiple times to prove efficacy. Also, each patch is FDA Registered. This is not a LifeWave authorized document, and no claims of diagnosing or healing any medical condition are inferred. Each patch is a safe and effective phototherapy wellness technology.

X 39 is a Stem Cell Activation patch designed to activate stem cell production by elevating your GHK-cu (copper) peptide. This copper peptide resets 4000 genes to a younger state, helps repair collagen in all tissues, activates stem cell production and helps people have better sleep, less pain and less inflammation. 30 patches per sleeve.

X49 is a patch that increases energy and recovery after exercise. X49 improves cardiovascular function and focus, may help reduce belly fat, increases muscle tone and strength, increases lean body mass and bone density. Helps with osteoporosis. 30 patches per sleeve.

Aeon is an anti-inflammatory, anti-stress, happy patch. Aeon calms the nervous system, reduces cortisol, reduces c-reactive proteins and elevates DHEA.

Aeon causes a broad-spectrum reduction of inflammatory markers such as c-reactive protein, inflammatory cytokines, homocysteine, lipid peptide and fibrinogen. When used with X39 it enhances the effect! 30 patches per sleeve.

Icewave is for decreasing pain. Also sedates excess energy, inflammation, calms headaches, migraines, and treats all sorts of pain, tension, pulled nerves, muscles, osteoarthritis, fibromyalgia, stiffness etc. A 2-patch application (tan & white). 30 patches per sleeve but requires 2 patches per application – so 15 applications per sleeve.
